Minutes: Republican Women of Southeast Wisconsin
Wednesday October 19, 2022
Meadowbrook Country Club Kenosha, Wisconsin

Welcome — Sue Lynch

Prayer — Patty Dickow

Pledge of Allegiance to the Flag
of the United States of America — Patty Dickow

Introduction of Guest Speaker — Sue Lynch
Brian Steil – 1st Congressional District

Brian Steil began by thanking Sue Lynch for all her hard work for so many years.
-He stated that SE WI will be the decision point for the state. We have huge statewide races. There is a shift in the parties due to One Party Democratic Control. Brian was recently in South Milwaukee talking to voters and heard of their frustrations.
-Biden needs to use a domestic supply for energy and security, not Saudi Arabia. America should never be in this current situation. We have the resources right here in this country.
-Biden proposed $400 billion to cancel student debt but does nothing to account for the runaway problem of education and the cost of education. This does nothing to solve the problem.
-Everyone has a right to feel safe in their home. Gov Evers failed Kenosha and refused to provide the resources and support of law enforcement. As Republicans, we back the badge.
-We need everyone to get on board and talk to people. Democratic party is not associated with the issues and concerns of today. Data shows that many Democrat voters are unhappy with the current Democrat candidates.
-Our Goals: We need to stop reckless government spending for 2023. Need accountable government. The botched evacuation from Afghanistan was one of the causes of the war in Ukraine, and the 13 lost marine lives. We need accountability for this runaway Biden administration. We need to put a stop to the Left's Woke agenda.
